

Investment returns

- Daily 0.5%
- Duration- Monday to Friday
- We get investment returns 200 days.
- After 200th day user investment(capital) will be add to wallet

Level income

Total 5 levels

Note:

Level 1

We get 20% income from downline returns(roi). Not downline investment.

Level 2

If we complete 2500\$ in level 1, we get 10% income from level 2 downlines returns(roi).. Not 2nd level downline investment.

Level 3

If we complete 5000\$ in level 2, we get 10% income from level 3 downlines returns(roi).. Not 3rd level downline investment.

Level 4

If we complete 10000\$ in level 3, we get 10% income from level 4 downlines returns(roi).. Not 4th level downline investment.

Level 5

If we complete 15000\$ in level 4, we get 10% income from level 5 downlines returns(roi).. Not 5th level downline investment.

Investment status

- If i invest 100\$, i will get roi (daily%) Monday to Friday (0.5%).
- If i sponsor peoples, i will get level income.
- I invest 100\$, adding roi & level income , I get my capital as double 200\$. Next day roi and level income will be stop. Bcz I get my capital as double.
- And 200th day capital will not add to wallet
